

**SMITH'S WOOD MEDICAL CENTRE
BURTONS WAY
B36 0SZ**

May 2018 Newsletter No.1

We are delighted to confirm that work is to commence on the construction of the new Smith's Wood Medical Centre on Tuesday 29th May. The site is in the new Village Centre, next to Smiths Wood Primary Academy and opposite the new shops.

These facilities will bring much needed services for the local community providing a high-quality centre for patients of Arran Medical Centre and Green Lane Surgery and there will also be an NHS dental practice and a community health services clinic.

The centre, which is pictured above, is due to be complete and fully operational by the summer of 2019.

During the works we aim to keep any disruption to our neighbours to an absolute minimum.

We will keep you informed of our progress as the scheme develops however if you do have any concerns regarding the works contact our site manager John Murphy on 07799 118 995 and he we will do his utmost to answer any queries you may have.

Alternatively please contact our Head office and speak to James Harrison on 0121 250 0700.
